

Feltron®

The Pride of Every Home

आपके घर की
Lifeline

Trusted name for the last 50+ years

Feltron one of the finest and oldest names in **Black & White televisions** and **Colour** televisions and the Pride of thousands of homes all over the country for almost **50 years** is proud to announce that they have entered the world of **White Consumer Goods & Appliances** with a new concept and style for a new India with the same old legacy of **Feltron Brand**.

Our journey started way back in the year **1975** and we have transform ourselves from Radio to colour era and now finally to LED TV technology. Our **MD Mr. Dhanraj Goel** started his entrepreneurial journey with strong technical background in electronics which resulted in trouble free quality of our products for our customers.

Continuing the Feltron legacy the second generation **Mr. Abhinav Dhanraj Goel** with his strong managerial & marketing skills it taking the company to new heights.

With the aim of providing **Quality & Quantity On Time & Every Time**, Feltron is adopting itself with continuous change in technology keeping in mind the end consumer needs and wants.
